MORE PROFIT, MORE CHOICE WITH BESTWAY CASH & CARRY

Access to the Bestway cash and carry network was one of the many reasons Anand Cheema decided to join Costcutter in December 2021.

Since joining Costcutter, Anand has discovered that the combined benefits of the Costcutter delivered wholesale service, plus a local cash and carry service gives retailers big opportunities.

“It adds
about 4-5%
profit to my
bottom line.”

Anand Cheema,
Costcutter Falkirk

“Being able to spend at cash and carry helps me strengthen my retail prices, which allows me to compete with local convenience stores and multiples as well.”

TOP 3 BENEFITS

- “It counts towards my Costcutter rebate payment, helping me earn more.”
- “All my spend is amalgamated into one making it easy to track my cash flow”
- “If I can’t get something through delivered wholesale, I can from cash and carry.”
